Dina-

As you can see, I was deliberately left off Austin's email below. just like being left off Dr. Han's earlier. You know I won't see email that you send to me at 9:30~~pm~~ until the following morning., So I don't know what you're trying to do here.

I already texted you on Monday, that I was at the Shattuck at 0830.  
on Tuesday you replied "o.k. thanks"

I don't know what else to say.  
It looks like you're trying to make me look bad or make me out to be a problem with this safety assessment.  
At this point, I'm trying to stay out of the way.

It's obvious to me that being left off these emails that I'm not needed for this project.  
And with the treatment I got during recent mtg with Dr. Burress and Dr. Han, then later that day with Dr. O'leary, Howard and you, I'd be deluded to think I was of any value or needed for this project.
